Group Project #2

MSAN 695, Diane Woodbridge
Due: June 8th (Midnight (PST))

1. (1pt) Extend the document from Group Project #1 to include **a new section** that includes the purpose of your application and which pages you plan to track using Google Analytics to accomplish your goals.

2. (3pt) Set up Google Analytics Accounts, Properties & Apps and Views (Make sure that you have the appropriate number of them). Add Google Analytics Tracking code to each page that you plan to track. Make sure to add a page title to each page.

3. (2pt) Add Diane (dwoodbridge.usf@gmail.com)and Yun Jin(yunjinkang0112@gmail.com) on your account with "Read & Analyze" permission and make sure to choose **"Notify this user by email"**.
